MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained

and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

The inter-relationship between the TCLP-UK's Petition to the House of Commons and Appeal proceedings at the Court of Appeal

This morning on the 3rd of December 2024 Duty Justices at the Court of Appeal have yet to issue a Case Number marked 'OFFICIAL' in relation to Case Reference CA-2023-000750 correspondence. The Petition at the House of Commons for a Written Constitution in the United Kingdom depends on this vital point as can be understood from the following attached document sent to the Petitions Committee: ToHouseofCommonsPetitionCommittee(Update on Court of Appeal proceedings)2Dec2024.pdf

Dear Monika at the Petitions Team

Thank you for the update.

As you are aware the special nature of my Petition required me to simultaneously ensure that the highest court of the United Kingdom dealing with civil and criminal litigation in combined proceedings had ended without any kind of judicial resolution. I had paid £432 to HMCTS as Court Fee over several years in relation to JOOME572 of the Medway County Court and E35YM660 of the Central London County Court which together with criminal private prosecutions of the Chief Constable of Kent Police and Conservative Prime Minister at East Kent Magistrates Court left a bitter taste in the mouth and hence I appealed these issues at the Court of Appeal under its Case Reference CA-2023-000750 which started over a year and half ago, including with today's submissions as attached: ToTheCourtofAppeal(New Post by Shantanu Panigrahi-DutyJustices issue of a Case Number marked OFFICIAL)2December 2024; this followed an early morning submission of an enquiry as attached ToBP,Sainsbury,Stripe

Support,CourtofAppealHOCPetitionsCommitteeForceControlKentPolice(Equate Plus Account information_Frozen)2Dec2024.docx.

Neither of today's submission to the Duty Justices greeted me with an acknowledgement.

Thinking that I should not initiate new proceedings I refrained from replying to this post in Daily Bulletin as it would constitute raising proceedings (see <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/who-is-there-in-the-united-kingdom-or-elsewhere-to-pass-judgment-on-the-legitimacy-of-tclp-uk-as-a-political-party>

<https://www.knowledgeassessmentanddissemination.com/forum/main/comment/5c665074-5fc9-4f30-a6e0-87c4da06ab7c?postId=6746d54b7da78e5437176535>)

I considered that since I have an email from the House of Commons Petition Committee which says it will respond in due course I have the appropriate proceedings in place. I must wait for that for the Court of Appeal has not answered the question posed for a Case Number marked 'OFFICIAL' through the decision of Duty Justices, a prerequisite to my Appeal. I therefore now have a set path to follow quite simply: one or the other will have to write to me, either the Court of Appeal with its Directions or the Petitions Committee on the 'Standards' issue. I will have to block out all correspondence in the website and at LinkedIn until that comes about. This is because if I start proceedings in my websites, the Court will use that information against me and dispose of the case against me, fining me for wasting time of the Court and that will also simultaneously destroy the Petition for the Court would have entered a Judicial decision on the matter. I am still hoping for a Judicial resolution but face a brick wall of silence from the Court of Appeal.

So now I said to myself that I could not even update this book in Libertarian Democracy or in Internet Archive/The Allurement of Reality in Review Shop, for those actions would constitute my initiating proceedings anew which the Court of Appeal will use to pass judgment on and I am 100 percent sure it will throw out the Appeal perversely. It is evidently not even acknowledging the question that I asked for it will hold to the line that 'who am I to be raising procedural questions to the Courts'. They have their CPR rules they will say and it is also true in the United Kingdom as things are and have been for centuries. If the Court makes a judicial move at any time in the future, I can use this Spamming material as having been terroristic and State-organised to manipulate legal proceedings against me. So all in all I do nothing and wait for your next communication to me.

Yours sincerely

How to Create Dynamic Instagram Highlight Reels that Attract Followers

in General Discussion

To create Instagram Highlight Reels that captivate and grow your audience, start by understanding your brand's core message and how it aligns with your target followers' interests. Develop a content strategy by choosing themes and topics that best represent your unique voice and appeal to your audience. Organise your content into well-defined categories with compelling cover images and concise, descriptive titles to catch viewers' attention immediately. Prioritise high-quality production with engaging visuals, utilising popular music tracks, relevant trends, and seamless transitions to enhance watchability. By being consistent with your posting schedule, you encourage regular engagement and establish a reliable presence. Use Instagram's analytical tools to monitor the performance of your Highlight Reels, identifying which styles and themes resonate most with your audience. This data-driven approach allows you to refine your strategy and continuously enhance your content to maximise its impact. Through a thoughtful blend of creativity and insights, your Instagram Highlight Reels can effectively attract and retain a growing community of followers.

Develop a content strategy by choosing themes and topics that best represent your unique voice and appeal to your audience. I'm really struggling with my master's dissertation, and I've been considering whether I should just buy master dissertation UK to avoid all the stress. Has anyone tried this before? I'm torn between doing it myself and getting some professional help, but I'm not sure what's best.

This thread is about creating Instagram Reels: your post on plugging master dissertation UK is Spamming the thread, so is not permissible.

I cannot hang about while the Court of Appeal and the Petitions Committee deliberate and consider what to do obviously because my life has to move forwards in whichever direction it opens up for me.

Uploaded this book in The Allurement of Reality in Review Shop to the introduction of: 'Moving with the times.' Internet Archive has a network problem so could not upload it there.

15.16 pm (UK-Time) 3 December 2024

I will be doing very careful editing of postings in all my websites from now onwards to sift out the wrif-wrafs and develop the content going forwards. It is the most important single objective if I do have any objectives left now given the brick wall of silence that continues.

Updated this book in The Allurement of Reality in Review Shop and Internet Archive to the introduction of: 'Something positive is bound to happen now'.

18.24 pm (UK-Time) 3 December 2024

At 20.25 pm deleted the following Forum post because even the Petition is not going anywhere now after the thumping the State authorities received with the email to the Petitions Committee who would have to judge the Court of Appeal's conduct of proceedings sooner or later: So the post could have been used against me by individuals. Now they would have to read the books in Internet Archive and in The Allurement of Reality in Review Shop if they wish to issue proceedings against me. I will be the Defender. And I will have considerable ammunition to defend myself with now. So nothing is going to happen it is clear.

Sports betting can be fun and exciting, but excessive betting can be very risky. When betting, you should always set your limits and participate only within the range you can afford. Use legal and trustworthy betting platforms and avoid illegal sites or places with a risk of fraud. Also, be careful not to become addicted to gambling and do not bet excessively or try to recover losses.

It is important to always approach it responsibly to enjoy healthy sports betting. 먹튀 검증

There are several video platforms similar to YouTube. A representative example is "Bitchute", a high-quality video and creator-centered platform where commercial content and artistic works are mainly uploaded. "Dailymotion" is a global service based in France that provides various videos similar to YouTube. "Twitch" is a platform that mainly focuses on game streaming, and emphasizes live broadcasting and communication. In addition, "Facebook Watch" provides a space where video content can be shared and consumed within Facebook. "TikTok" is a platform centered on short video content, and it is growing rapidly and various creators are actively participating. In addition, there are Chinese platforms such as "Bilibili" and "Rumble". Each platform provides similar functions to YouTube, but has its own unique characteristics and user base, providing various content consumption methods and creative opportunities.

 security wait time orlando airport can vary depending on the time of day and season. Typically, during peak travel periods, such as holidays and weekends, travelers may experience longer wait times. On average, security screening takes about 20-30 minutes, but during busier times, it can stretch to 45 minutes or more. To ensure a smoother experience, passengers are encouraged to arrive at least 2 hours before domestic flights and 3 hours before international flights.

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment

by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Dear Sir

Please note the delay in completing the Registration of the The Conservative Libertarian Party (TCLP-UK) due to financial fraud in Santander Bank's embezzlement of the liquid-asset property of the Party.

The matter has been under Appeal to the Supreme Court of the United Kingdom since the Party's 5 September 2020-dated Appeal against the Judgment of the Central London County Court and the Court of Appeal on their Rulings on the disposal of Claim E35YM660 in regard to permission to Appeal the Circuit Judge's Decision dated 12 May 2020 not granted to the then Appellant now joined and represented by the TCLP-UK.

Please note the attached: ToSupremeCourt5Sep2020.docx;

I await the Ombudsman's directions for the progress of this complaint on behalf of TCLP-UK as its General Secretary.

Yours sincerely

Dr Shantanu Panigrahi

Dear Dr Panigrahi
Your complaint about Santander UK Plc
Thank you for your email.
We've sent you a complaint form for all the reference numbers you mentioned in your email for them to be completed and returned.
However, you haven't completed and returned the complaint forms for any of your complaints which we need to progress them.
Could you complete and return all of the complaint forms please?
When you do this, could you return them all to us in separate emails quoting the correct reference for so they can be allocated to the correct complaint.
Once we receive the forms back, we will let you know the next steps.
Kind regards

: Important mainly because it was sent directly to you.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service
